

What's New in Journals:

The following journal issues have been published and can be accessed via the Alzheimer Toronto Resource Centre. For your convenience links to online abstracts or full text articles have been provided.

Please indicate which articles you would like to view – **be sure to include journal title, issue number, pages & title for each article required.**

For more information please contact: **Marg Cameron** 416-640-6320 mcameron@alzheimertoronto.org

Document available online at: www.dementiatoronto.org/news/NewMaterials/May_NewJIs.pdf

Resource Centre Hours For June

Monday, Friday 9:00 a.m. to 5:00 p.m.

Tuesday to Thursday 9:00 a.m. to 6:00 p.m.

Alzheimer Disease & Associated Disorders

Vol. 27 #2, April to June, 2013

Abstracts available online at <http://journals.lww.com/alzheimerjournal/pages/currenttoc.aspx>

p. 95 Ecological Evaluation of Executive Functions in Mild Cognitive Impairment and Alzheimer Disease

p. 102 Inhibitory Dysfunction in Frontotemporal Dementia: A Review

p.116 The APOE ε4 Allele Is Associated With Increased Frontally Mediated Neurobehavioral Symptoms in Amnesic MCI

p.123 COGNOS: Care for People With Cognitive Dysfunction: A National Observational Study

p.133 Cultural Diversity and Views on Alzheimer Disease in Older African Americans

p.138 Health Care Utilization and Costs Among Patients With AD With and Without Dysphagia

p.145 Body Height and Late-Life Cognition Among Patients With Atherothrombotic Disease

p.153 Male Sex Hormones and Systemic Inflammation in Alzheimer Disease

p.157 Spongiform Change in Dementia With Lewy Bodies and Alzheimer Disease

p.162 Microbleeds in Postmortem Brains of Patients With Alzheimer Disease: A T2*-weighted Gradient-Echo 7.0 T Magnetic Resonance Imaging Study

p.168 The Value of Hippocampal and Temporal Horn Volumes and Rates of Change in Predicting Future Conversion to AD

p.174 Ventricular Enlargement and its Clinical Correlates in the Imaging Cohort From the ADCS MCI Donepezil/Vitamin E Study

p.182 Patient Adherence to Transdermal Rivastigmine After Switching From Oral Donepezil: A Retrospective Claims Database Study

p.187 Improved Statistical Power of Alzheimer Clinical Trials by Item-Response Theory: Proof of Concept by Application to the Activities of Daily Living Scale

p.192 Rapid-onset Apathy May Be the Only Clinical Manifestation After Dorsal Striatum Hemorrhagic Lesion: A Case Report

Alzheimer's & Dementia: the Journal of the Alzheimer's Association

Vol. 9 #3, May, 2013

Abstracts available online at <http://www.alzheimersanddementia.org/current>

- p. 251 CSF biomarker variability in the Alzheimer's Association quality control program
- p. 262 A prediction model to calculate probability of Alzheimer's disease using cerebrospinal fluid biomarkers
- p. 269 Cognitive correlates of cerebrospinal fluid biomarkers in frontotemporal dementia
- p. 276 Discriminatory and predictive capabilities of enzyme-linked immunosorbent assay and multiplex platforms in a longitudinal Alzheimer's disease study
- p. 284 Phenotypic regional functional imaging patterns during memory encoding in mild cognitive impairment and Alzheimer's disease
- p. 295 Amyloid positron emission tomography with ¹⁸F-flutemetamol and structural magnetic resonance imaging in the classification of mild cognitive impairment and Alzheimer's disease
- p. 302 Homocysteine, progression of ventricular enlargement, and cognitive decline: The Second Manifestations of ARTerial disease-Magnetic Resonance study
- p. 310 Mild cognitive impairment in a community sample: The Sydney Memory and Ageing Study
- p. 318 Alzheimer's disease pathology does not mediate the association between depressive symptoms and subsequent cognitive decline
- p. 326 Benefits of combined cholinesterase inhibitor and memantine treatment in moderate-severe Alzheimer's disease
- p. 332 Standardization of analysis sets for reporting results from ADNI MRI data
- p. 338 Effectiveness of antidementia drugs in delaying Alzheimer's disease progression
- p. 346 Predictors and outcomes for caregivers of people with mild cognitive impairment: A systematic literature review
- p. 256 Risk disclosure and preclinical Alzheimer's disease clinical trial enrollment
- p.e89 Cognitive and functional resilience despite molecular evidence of Alzheimer's disease pathology
- p. e96 Systematic review of the body of evidence for the use of biomarkers in the diagnosis of dementia

Dementia: international journal of social research & practice

Vol 12 #3, May 2013 – Special Issue: Embodiment and Dementia

Full text articles available online at <http://dem.sagepub.com/content/12/3.toc>

- p. 283 Editorial: Embodiment and dementia
- p. 288 Embodiment and dementia: Exploring critical narratives of selfhood, surveillance, and dementia care
- p. 303 Dementia, personhood and embodiment: What can we learn from the medieval history of memory?
- p. 315 Dementia and the biopolitics of the biopic: From *Iris* to *The Iron Lady*
- p. 326 Dress, dementia and the embodiment of identity
- p. 337 Mixing methods to explore appearance in dementia care
- p. 348 'Y' feel me?' How do we understand the person with dementia?
- p. 359 Storytelling in dementia: Embodiment as a resource
- p. 368 Embodiment: The implications for living well with dementia

Dementia and Geriatric Cognitive Disorders

Vol 35 #5-6, May 2013

Full text articles available online at <http://www.karger.com/Journal/Issue/259756>

- p. 239 Differences in Drug Therapy between Dementia Disorders in the Swedish Dementia Registry: A Nationwide Study of over 7,000 Patients
- p.249 Apathy Is Associated with Activities of Daily Living Ability in Parkinson's Disease
- p.256 A Comparison of the Cornell Scale for Depression in Dementia and the Montgomery-Aasberg Depression Rating Scale in a Memory Clinic Population
- p. 266 Memory Awareness Profiles Differentiate Mild Cognitive Impairment from Early-Stage Dementia: Evidence from Assessments of Performance Monitoring and Evaluative Judgement
- p. 280 Subgroups of Alzheimer's Disease Associated with Diabetes Mellitus Based on Brain Imaging
- p. 291 Impaired Visual Recognition Memory Predicts Alzheimer's Disease in Amnesic Mild Cognitive Impairment
- p. 300 Efficacy of Short-Term Inpatient Rehabilitation for Dementia Patients and Caregivers: Prospective Cohort Study
- p. 313 Prevalence of Word Retrieval Complaint and Prediction of Dementia in a Population-Based Study of Elderly Subjects
- p. 325 A Double-Blind, Placebo-Controlled, Ascending-Dose, Randomized Study to Evaluate the Safety, Tolerability and Effects on Cognition of AL-108 after 12 Weeks of Intranasal Administration in Subjects with Mild Cognitive Impairment
- p. 340 Aromatase Variants Modify Risk for Alzheimer's Disease in a Multiethnic Female Cohort
- p. 351 Adherence to Cholinesterase Inhibitors in Alzheimer's Disease: A Review

Journal of Geriatric Psychiatry and Neurology

Vol 26 # 2, June 2013

Abstracts available online at <http://jgp.sagepub.com/content/current>

- p. 63 The Effect of Poststroke Delirium on Short-Term Outcomes of Elderly Patients Undergoing Rehabilitation
- p. 69 Structured Assessment of Mental Capacity to Make Financial Decisions in Chinese Older Persons With Mild Cognitive Impairment and Mild Alzheimer Disease
- p. 78 Functional Limitations in Older Adults Who Have Cognitive Impairment Without Dementia
- p. 86 Factors Associated With the Variability in Caregiver Assessments of the Capacities of Patients With Alzheimer Disease
- p. 95 Apathy in Patients with Parkinson Disease as a Function of Side of Onset
- p. 105 Barriers to Mental Health Care Utilization in Parkinson's Disease
- p. 117 Premorbid IQ Influence on Screening Tests' Scores in Healthy Patients and Patients with Cognitive Impairment

Journal of the American Geriatrics Society

Vol 61 # 4, April 2013

Abstracts available online at <http://onlinelibrary.wiley.com/doi/10.1111/jgs.2013.61.issue-5/issuetoc>

- p. 679 Mortality and Disability Outcomes of Self-Reported Elder Abuse: A 12-Year Prospective Investigation
- p. 686 White Matter Hyperintensities, Exercise, and Improvement in Gait Speed: Does Type of Gait Rehabilitation Matter?
- p. 694 Depressive Symptomatology as a Risk Factor for Falls in Older People: Systematic Review and Meta-Analysis
- p. 707 Comparison of Cost-Effectiveness of Vitamin D Screening with That of Universal Supplementation in Preventing Falls in Community-Dwelling Older Adults
- p. 715 Fracture Risk in Nursing Home Residents Initiating Antipsychotic Medications
- p. 723 Pharmacotherapeutic Management of Dementia Across Settings of Care
- p. 734 Exclusion of Older Adults from Ongoing Clinical Trials About Type 2 Diabetes Mellitus
- p. 739 Nondisease-Specific Problems and All-Cause Mortality in the REasons for Geographic and Racial Differences in Stroke Study
- p. 747 A Randomized Controlled Trial of a Self-Regulation Intervention for Older Adults with Asthma
- p. 754 Effects of Depression Diagnosis and Antidepressant Treatment on Mortality in Medicare Beneficiaries with Chronic Obstructive Pulmonary Disease
- p. 762 A Simple Tool to Predict End-Stage Renal Disease within 1 Year in Elderly Adults with Advanced Chronic Kidney Disease
- p. 769 Quadriceps Strength, Quadriceps Power, and Gait Speed in Older U.S. Adults with Diabetes Mellitus: Results from the National Health and Nutrition Examination Survey, 1999–2002
- p. 776 Angiotensin System–Blocking Medications Are Associated with Fewer Falls over 12 Months in Community-Dwelling Older People
- p. 782 Specialty Care Delivery: Bringing Infectious Disease Expertise to the Residents of a Veterans Affairs Long-Term Care Facility
- p. 788 Overtreatment of Presumed Urinary Tract Infection in Older Women Presenting to the Emergency Department
- p. 793 Shared Decision-Making in the Selection of Outpatient Analgesics for Older Individuals in the Emergency Department
- p. 799 Clinical Changes in Older Adults During Hospitalization: Responsiveness of the interRAI Acute Care Instrument
- p. 805 Effect of Aging on Stimulated Salivary Flow in Adults
- p. 809 Relationship Between Oral Health and Frailty in Community-Dwelling Elderly Individuals in Brazil
- p. 815 Tooth Loss and Mortality in Elderly Japanese Adults: Effect of Oral Care
- p. 821 Self-Management at the Tipping Point: Reaching 100,000 Americans with Evidence-Based Programs
- p. 824 Old Lives Tales: Flag Folding
- p. 825 Research Myocardial Infarction After Hip Fracture Repair
- p. 826 Analysis of Age-Related Gait Speed
- p. 826 Memofilm Project: “Man's Memory. Cinema Against the Pathologies of Memory”

- p. 828 Relationship Between Blood Pressure and Physical and Cognitive Function in the Oldest Old
- p. 829 Auditing Access to Primary Care for Elderly Adults with Public Insurance
- p. 831 Midlife Characteristics of Older Men Using Statins
- p. 832 Outcome and Safety of Colonoscopy in Minorities Aged 85 and Older
- p. 834 Case Reports Muscular Volume or Fatigue: Which Is the Most Important Feature for the Evaluation of Muscular Performance in Elderly Adults?
- p. 835 Severe Acute Leukopenia Due to Candida Parapsilosis in an Old Comorbid Woman: A Case Report
- p. 837 Gas-Forming Pyogenic Liver Abscess in an Elderly Adult with Diabetes Mellitus
- p. 838 Unusual Cause of An Esophageal Perforation in a Nonagenarian
- p. 840 Overlooked Myasthenia Gravis in an Elderly Adult
- p. 841 A Rare Case of Adrenal Insufficiency Induced by Inhaled Corticosteroids
- p. 842 Negotiations in Congress Continue with the Future of Geriatric Medicine at Stake
- p. 843 The Real Research Question About Diabetes Mellitus in Older Adults
- p. 843 Aspirin Use After Diagnosis Improves Survival in Older Adults with Colon Cancer
- p. 844 Evidence from Multicomponent Interventions: Value of Process Evaluations
- p. 845 Alzheimer's Disease: How Far Have We Progressed? Lessons Learned from Diabetes Mellitus, Metabolic Syndrome, and Inflammation
- p. 846 The Death Rattle and the Old Man's Friend
- p. 847 Comment on "Association Between the Part D Coverage Gap and Adverse Health Outcomes"
- p. 849 Chewing Ability and Dementia

Introducing a new online discussion group

Info Resources on Living Well with Dementia <http://www.linkedin.com/groups?home=&gid=4962695>

Discussion group for librarians, educators, health care professionals, caregivers and persons living with dementia. Our focus is on information resources (print, video, audio, online...) related to living well with dementia. What works, what doesn't and why. This is a closed group, only fellow members will see your postings. All postings are to be directed to our topic, and are not for selling outside commercial services.

Please remember, this is NOT a support group, nor do we offer counselling.

This group is hosted by Marg Cameron, Information Specialist, Alzheimer Society of Toronto Resource Centre.
